

The Lazer Shop

Idea and Price Book

Personalized Gifts and Crafts.

Because You are the Best Gift Giver.

How Can We Help You?!?

Welcome to *The Lazer Shop*! Please enjoy the items on display and within this book to help you find exciting gift ideas for those special people in your life.

For us to best serve you, please consider the following:

- ✓ **Color(s) of the items you want**
- ✓ **Size(s) and/or dimensions**
- ✓ **For words and text consider FONTS, spellings, sizing, and spacing**
- ✓ **Quantity of each item(s) needed (we offer bulk discounts starting at 10 identical items)**

Pricing for many of our items are listed in this book, and some prices may vary depending on the scope of your project. Pricing includes one graphic and line of text up to 6"x6" on flat items, or one side on cups and glassware. For two-sided engraving on cups or larger engravings on flat items additional costs will be added.

For custom orders please contact The Lazer Shop directly by emailing jason@thelazershop.com or by texting (910) 690-9142. Please inform us you were referred by *Build-A-Mum and More*.

We're excited you chose *The Lazer Shop* to help with your gifting, and rest assured that we will work with you throughout the process to ensure your gift is perfect!

FONTS & TYPOGRAPHY

There are an *int'nite* number of fonts for you to choose from! Some of the most commonly used fonts are in the next pages, or you can search on-line for even more options. We generally recommend choosing normal to bold fonts for most media, especially glass, as they will stand out better on your items. Not sure? We'll help!

Please note: If you have a specific font request there may be a slight upcharge on your project for us to purchase the font for non-private use.

Prices start at \$100 for a 15" lid, and \$150 for a 21" lid.

We strive to help you remember your loved ones – family, pets, and dearest friends. It doesn't get much more personal than your loved one's unique handwriting. We can transpose your favorite family recipes, signatures, and other handwriting into engraved works of art. Prices start at \$25 for rendering the handwriting into a laserable format, plus the cost of engraving onto your selected medium.

The most wonderful time of the year! There's no limit to your imagination in how we help you celebrate Christmas and the holiday season. See our Holiday flipbook for more ideas, prices, and ways you can personalize the joyous season!

Wooden and acrylic cutouts can be used for any creative, personalized project. We start with 1/8" birch plywood or acrylic and layer it to achieve your project goals.

Prices are based on dimensions per layer as listed in the pricing sheet.

Working with metals requires use of anodized aluminum (see The Lazer Shop business cards and Ridge wallet, below) which allows us to engrave through the anodized (painted) layer and onto the aluminum surface. For stainless steel and other polished metals we use laser marking spray (see the Drake sign below) that permanently bonds onto the metal wherever the laser energy shoots onto the sprayed metal surface.

Prices start at \$25 and up.
